Remarks :

Professor Karthik put in a great amount of effort for organizing these talks. He carefully selected all the speakers and made sure that all the talks happen in-person, which is a very rare feat for industry lectures at IIT Hyderabad. I would also sincerely thank him for giving all the students and the entire IT Hyderabad community a chance to interact with the speaker one on one via dedicated sessions. These interactions helped me a lot and also guided me towards what future direction should I pursue in my career. I would be very grateful for his initiative of organising the talks offline and making sure that the speakers are available for interaction.
